Worldly, colorful EDM/hip-hop duo [Gold Lemonade](#)'s official, new music video for "Drippin ft. Lil Shakk" (from their latest album [School of Hard Drops](#)) comes out Friday, November 1 - you can watch the private, unlisted video [HERE!](#)

Discovered by [Jackie Jackson](#) of the Jackson 5, Gold Lemonade is the first artist signed to his new label [Critically Amused](#).

Gold Lemonade consists of Caribbean-born trap vocalist [Jvgg Spvrrow](#) and French DJ/producer [Lya Lewis](#), who met in Paris. They combine Jvgg's **laidback, tropical trap verses** with Lya's **hard, electronic beat drops** to

create a more worldly, unique sound than anything else in the modern hip-hop landscape. The **vibrant, colorful imagery** and videos that accompany their fresh sound also set them squarely apart.

In one year, they've already amassed over 500,000 streams and 500,000 views, and their tracks have been added to over 5,000 playlists. Earlier this year, they released their full-length album [School of Hard Drops](#), which includes ["Yeah Yeah"](#), ["How You Feel"](#), and ["Jump"](#).
